

CONSULTATION CONTRACT

PROFESSIONAL DISCLOSURE

I Joe Broome, M.A. LMHC attest that I am NOT acting as an "approved supervisor" as defined by WAC 246-809-234. I am a licensed mental health counselor in good standing with Washington State providing consultation.

I earned my Masters of Art in Applied Behavioral Science with emphasis on Systems Counseling in 2008 from Bastyr University and the Leadership Institute of Seattle (LIOS) in Kenmore WA. I have practiced in a clinical setting starting in 2007 through 2009. After leaving clinical work I started my private practice in Renton WA. I have specific and extensive training in parenting issues (Positive Discipline), trauma and attachment (Lifespan Integration or LI), anger management (Aggression Replacement Training) with adolescents and adults ages 18-70.

Currently my practice focuses on adolescent behavioral, academic, mood issues, parenting, trauma, attachment, ADHD and Lifespan Integration. I am currently a trainer for Lifespan Integration LLC offering level one trainings in the US.

THE CONSULTATION PROCESS

My goal for your consultation is to provide accurate and helpful information delivered in a way that leaves you feeling well equipped to address whatever issue we have consulted on. This is a relationship and thus feedback is important and welcome.

PRACTICAL ISSUES

I provide consultation as needed in ½ hour increments. Each ½ hour increment is billed at \$70. Consultations can be shared if you would like for no additional fee. I offer face to face consultations in my office in Renton, phone consultation or video conferencing via Skype. I do require 24 hours notice if you need to cancel or reschedule an appointment. If you cancel or reschedule within 24 hours you will be charged the full fee for the appointment missed. If I cancel with less than 24 hours notice the next appointment will be at no charge to you. I can be reached for consultation via the following methods:

Phone...206-380-4706 (This is my personal number so please don't refer clients to it)

Face to Face... 306 Wells Ave S. Unit D Renton WA 98057

Skype... www.Skype.com free download and my user name is InItTogetherCounseling

I am an approved consultant and trainer for Lifespan Integration LLC and thus can provide you with consultation and Lifespan Integration therapy that would count towards your certification as an LI therapist. For the most up to date criteria for obtaining certification visit www.LifespanIntegration.com.

LEGAL/ETHICAL ISSUES

Consultation is a different relationship than supervision. I am a consultant and not acting as a clinical supervisor as I stated earlier and thus carry no responsibility for your actions with your clients. I strive to provide the best possible information but ultimately how you use that information is up to you and your therapeutic judgment. On occasion I also provide Lifespan Integration therapy for consultees that are working toward LI certification. If you are seeking LI certification know that I am charged with making an assessment of you with regards to my perception of your internal coherence, skills knowledge and integration. My assessment will be shared with other LI consultants to determine your readiness for full certification. This role can be difficult to navigate with consultees at times. Know that I am ultimately looking for coherence, not perfection and the information that I will provide about you is in service of your personal and professional growth.

STATEMENT OF AGREEMENT

I have read and understand the information contained in this document. I've had my questions answered to my satisfaction and have received a copy for my records. Like all consent forms, I know that I can review it with Joe, we can update it at any time to create a document that guides our work together.
